**Thought for the week**

Jesus took for granted that his Jewish faith needed laws and institutions like the Temple if it was going to transmit its message to the next generation. And so he knew that his Church must be built on the rock of Peter; then God would preserve it from all its enemies. But in today's Gospel, he tells his disciples at the Last Supper that if they are to survive they must remain close to him. He takes the image of the vineyard, which was used to represent Israel in the Old Testament, and in a sense identifies himself with it by saying: "I am the true vine, and my Father is the vinedresser."

If the disciples are to survive then they must be branches of Jesus, the vine. And just as a vine is pruned to make it more fruitful, the disciples will also grow by being tested in their faith. Jesus tells them to remain close to him and have the living sap flowing in their branches, or else they will shrivel up. He insists that at the heart of their faith there is this close personal relationship with him: "Make your home in me, as I make mine in you." As they are united in Christ so they will be united through him to the Father. But this experience is not just for special members of the Church, like the apostles. The Spirit is given to everyone. All are called to have this "mystic" experience of being so close to Christ in their daily life that they produce good fruit.

## PARISH DATABASE CENSUS – 3rd & 10th May

A Parish Census taken at all Sunday Masses will take place today and next Sunday 10th May

At Masses that weekend you will be asked to complete a Census Form (one per household) which will allow us to create and hold details about you and your family on the new database. It is very important that you complete a form, *even if* you have been in the Parish for twenty years and think we know all about you! WHY IS THIS CENSUS FORM NECESSARY?

It is very important for our Parish Clergy and Parish Office to have quick access to this type of accurate information, especially in the case of an emergency, and particularly as our Clergy now work increasingly throughout the whole parish, not just in their own local areas. The new database will supersede old records, so please do ensure that we are able to maintain up-to-date details about your household by completing a census form on 3rd and 10th May. The information given, as well as providing us with correct records, will be used to help us gain a better insight into the range of Sacramental Programmes, ministries and active groups that are part of our diverse, yet unified, Parish. **DATA PROTECTION** *By completing the census form you are agreeing that the information can be entered into our records and this will be viewed as 'informed consent' by the Parish. All information will be treated in confidence and will be used only to help with personal and Pastoral care and the appropriate administration of the Parish, in conjunction with the Diocese. We comply with the Data Protection Act and no information will be passed to third parties without prior permission.*

**BASINGSTOKE FOODBANK** Currently they are very short of fruit juice. We are appealing for a few more volunteers to help at the Foodbank, if you would like some more information, please contact [in-fo@basingstoke.foodbank.org.uk](mailto:info@basingstoke.foodbank.org.uk) or call 07722 673645

We are kindly asking parishioners to support the cause by donating a bag including the following items and to bring it to St Joseph's church on the masses of 16th-17th May. The Charity will collect all the bags and store them until they are shipped to Africa. For further information visit <https://www.marysmeals.org.uk/get-involved/the-backpack-project/what-to-pack> Items : Notepad, pens, pencils, crayons, eraser, ruler, sharpener, pencil case, towel, shorts or skirt, t-shirt or dress, flip-flops or sandals, soap, toothbrush, toothpaste, small ball and a spoon.
